THE STANDARD FRENCH CLASSICS.

EDITED BY W. WRIGHT, A. M.,
Translator of French Prose Works of Sir William
Hamilton's Philosophical Works.

The Publishers would respectfully call attention to the points
in these editions of the French Classics; the translations are
entirely new, and the original French is given in parallel columns;
and the first volume of each author's works contains a
great abundance of introductory matter of the best quality.

We trust that in this great and expensive enterprise of repro-
ducing in an unbroken and attractive form, the classic literature
of a great people, we shall meet with encouragement from Amer-
ican scholars and others.

The whole series will be uniform in price and style with our
edition of the British Classics. \$1.25; Half-Calf,
Half-Vellum, \$2.25.
